Please note the following:

- Many summer aid grants can only be considered if students are enrolled in at least six financial aid eligible Germanna credits.
- For students attending the Spring 2024 semester: After grades are posted, students will be evaluated to determine if they are meeting the [Satisfactory Academic Progress](#) requirements. Students who do not meet these requirements will not be eligible for summer federal, state, or institutional financial aid and those summer awards will be canceled.
- Any changes made to summer enrollment will require submission of a revised summer form and may result in a change to posted aid.
- If you attend another college or university and will only enroll at Germanna for the summer, you are considered a transient student and you will not qualify for financial aid. You must be a degree and/or certificate seeking student at Germanna to receive aid in any given semester.
