

ACE TUTORING SERVICES

Students can schedule individual tutoring appointments for all subjects taught at Germanna. Our friendly, experienced tutors are trained to work with your individual learning style to assist you with any academic concerns you may have. You can meet with a tutor in one of our centers at the Locust Grove or Fredericksburg campus or at the Barbara J. Fried Building in Stafford. Or, if you prefer, you can schedule an online appointment with a tutor and meet via Zoom. You can submit an appointment request online from the ACE website or email us at ACE@germanna.edu.

DROP-IN MATH CENTER

Students enrolled in Germanna math courses are encouraged to visit the Fredericksburg Math Center or Virtual Math Center with any academic concerns they may have. Please refer to the ACE Math Course Resources webpage for specific hours of operation. There are also many helpful math resources available for students on this site.

DROP-IN WRITING CENTER

The Writing Center offers drop-in consultations for all students enrolled in credit courses at Germanna Community College. The Writing Center staff can help students with writing assignments across all academic disciplines, including research papers, descriptive paragraphs, and lab reports. Please refer to the ACE Writing Resource webpage for specific hours of operation for the Fredericksburg Writing Center as well as for the Virtual Writing Center.
