

Accuplacer ESL Test Information Guide

English language learners have the option of taking the ESL (English as a Second Language) portion of the Accuplacer College Placement Test. While this test is not a requirement, the Accuplacer test results and other assessment tools will enable students and advisors to determine which courses will be best for the student – either ESL courses at Germanna or College Composition I (ENG 111) with the co-requisite course English Composition Readiness (EDE 11) for support.

The Accuplacer ESL Test is divided into four parts:

- Reading Skills: Measures English reading comprehension
- Sentence Meaning: Measures sentence context comprehension
- Language Use: Measures correct grammar and syntax usage
- Listening: Measures the ability to comprehend spoken English

This resource handout includes test section descriptions, practice questions, and answers for the Reading Skills, Sentence Meaning, and Language Use portions of the test provided by [CollegeBoard](#). There is not a written portion of the test.

Additional Accuplacer ESL practice test information is available online by visiting <https://accuplacer.collegeboard.org/student/practice>. Additional resources covering topics such as punctuation and verb tenses can be found on the final page of this handout.

Appointments are not necessary if taking the Accuplacer test at the Testing Centers located at the Fredericksburg Area Campus, the Locust Grove Campus, or the Stafford Center. However, students must begin the test at least three hours before the Centers close. ESL Reading Skills

The ESL Reading Skills test measures a student's ability to read English. Specifically, it assesses comprehension of short passages. It contains brief passages of 50 words or less and moderate length passages of 50 to 90 words. Half of this test contains straightforward comprehension items (paraphrasing, locating information, vocabulary on a phrase level, and pronoun reference). The other half assesses inference skills (main idea, fact versus opinion, cause and effect logic, identifying irrelevant information, identifying author's point of view, and applying the author's logic to another situation).
