

Instructions for Obtaining Brainfuse Feedback: Tutor Proof (Mandatory Visit) Assignment

Students should review and follow instructor directions for how to obtain and submit a tutor proof, including whether Brainfuse feedback is accepted as a tutor proof for the given assignment.

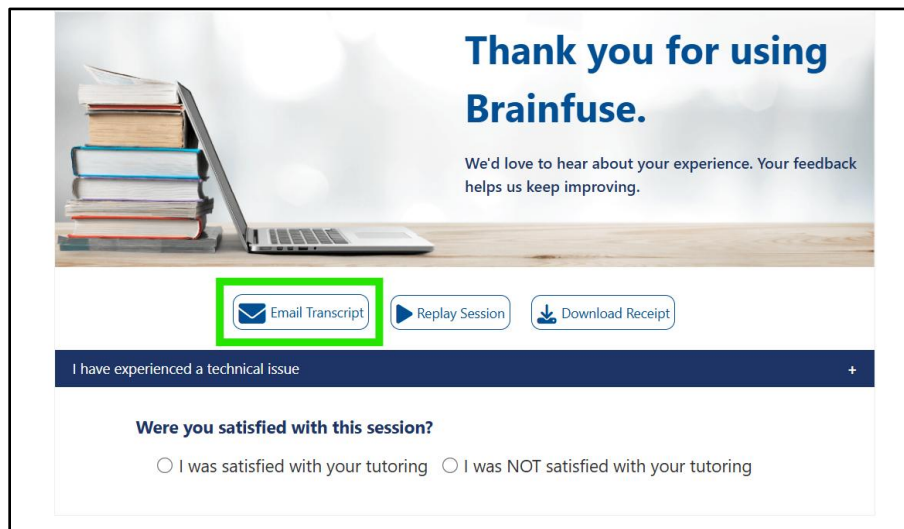

Use the Brainfuse Writing Lab for a tutor proof (mandatory visit)

To submit a paper to the Brainfuse Writing Lab for review by a tutor, follow the instructions on page 8 of the [HelpNow Quick-Start and User Guide](#). This guide includes how to retrieve the Brainfuse tutor feedback.

Here is another resource for [Submitting a Paper to the Brainfuse Writing Lab](#) which includes how to retrieve tutor feedback.

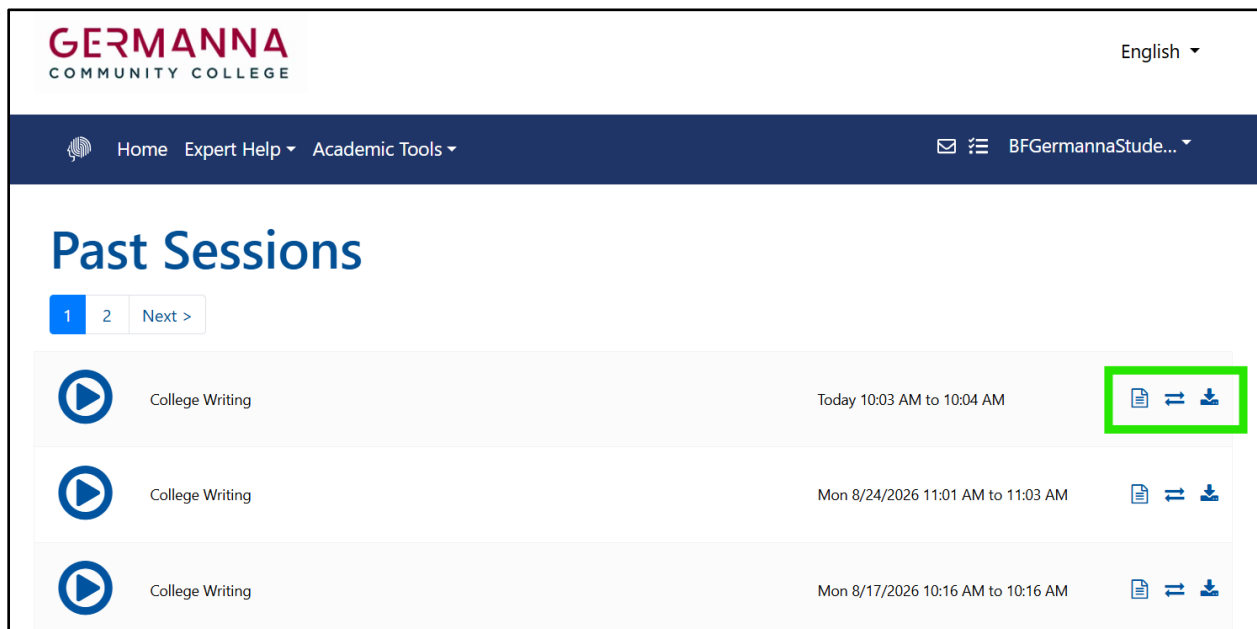

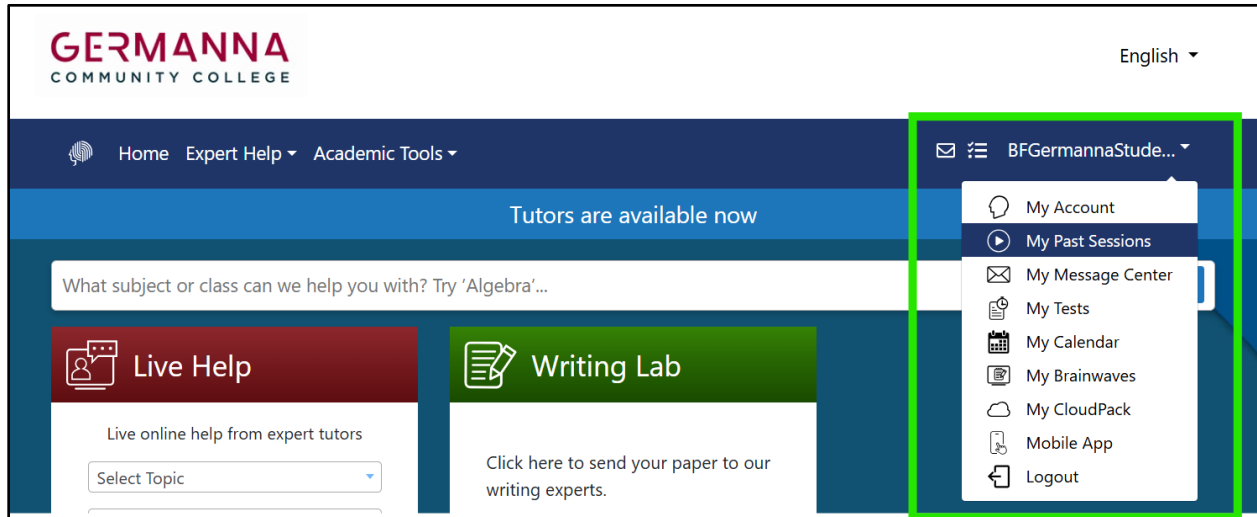

Use the Brainfuse Live Help feature for a tutor proof (mandatory visit)

See page 1 of the [HelpNow Quick-Start and User Guide](#) for how to connect with a live tutor. When the session ends, a screen will appear (see screenshot below) that allows the student to email themselves a copy of the transcript, replay the session, or download the receipt for the session. Selecting “Email Transcript” will send the student a copy of their Brainfuse Live Help transcript.

View transcripts or download receipts from past sessions

To view transcripts or download receipts from past sessions, select “My Past Sessions” from the account dropdown on the Brainfuse homepage.
